

R E M A R K S

Reconsideration of the present application in view of the foregoing proposed amendments, as well as the following remarks is respectfully requested.

In the present application, claims 1-10 are pending, with claims 1-7, 9 and 10 being amended hereby. No new matter has been added via the proposed changes to the claims; as such changes are merely informal.

Applicant(s) express appreciation for the finding of allowable subject matter relative to claims 1-10, and respectfully submit that the amendment(s) to the Title, the Specification, and the Claims, as proposed hereby, bring the application into condition for allowance.

As the Examiner has specifically indicated that certain potentially material references have not been considered as a consequence of such references not having been cited via an IDS, Applicant(s) respectfully submit herewith an IDS on from PTO-892 in accordance with 37 CFR 1.98 and MPEP 609.04, for the Examiner's consideration.

Applicant(s) respectfully submit that the Specification and Claims of the present application are in condition for issuance, and earnestly solicit a Notice of Allowance.

Respectfully submitted,

---
